

## Guideline. Get easily started with PIF – Pay It Forward

We are happy that we can help you keep generating a turnover.

To get started with the selling of your products/services, please fill in bellow and return in an e-mail to: [help@pif-app.com](mailto:help@pif-app.com).

In order to add you successfully and for you to start earning money immediately, it is very important that we get all the right information from you.

### Please, fill in bellow information:

Company name	
Company number	
Company address	
Delivery address (shop)	
Contact person	
Mobile number for contact person	
E-mail <sup>1</sup>	
Bank account number. <sup>2</sup>	

<sup>1</sup> The e-mail address is needed to become user in the "PIF – backend ", where you can see how many products you sell and how much you are earning

<sup>2</sup> Where we will send the money from the purchases

### Besides, please do attach the following:

- Your logo in the best possible quality
- Description of the six products/services
- **IMPORTANT:** Pictures/illustrations of the six chosen products/services **in the best possible quality**
- Prices for the products

After we have gotten the above, we will forward you a contract. Please, sign and return.

At the same time, you should be aware that the maximum of products/services that you can sell on the platform, are only six. Please, make sure that the products/services are some you offer in the complete redeeming period until 31/12-2020.

### Costs:

PIF does not wish to earn money with this solution. Your costs are therefore only the following transaction fees:

If you have questions, please write an e-mail to [help@pif-app.com](mailto:help@pif-app.com) or call us on +45 21 16 44 90

<ul style="list-style-type: none"><li>• MobilePay through Bambora and Clearhaus:</li></ul>	2,10 DKK
<ul style="list-style-type: none"><li>• Visa/Dankort:</li></ul>	1,45% +25 cent DKK pr. transaction above 41 DKK Transaction under 41 DKK – flat fee 1 DKK

The above calculations are based on the direct costs related to the handling of different payment services.

Best regards from the PIF- team
